

Magnificence (Peter Makena)

There is so much magnificence
Near the ocean
Waves are coming in
Waves are coming in

Hallelujah

Where I sit is holy (Shaina Noll)

Where I sit is holy, holy is the ground
Forest, mountain, river, listen to the sound
Great Spirit circles all around me.

Who I am is holy, holy are we
Body, thought, emotion, connecting you and me
Great Spirit circles all around me.

What I do is holy, holy is my way
Work and play together, celebrate the day
Great Spirit circles all around me.

We are peace (Snatam Kaur)

I feel your love, calling out to me
In the rhythm of your heart, the journey to be free
Carried by the One, hand in hand we'll go
You are so beautiful, so let your spirit flow

[Chorus]

We are the light, we are the love, we are the peace
We are the light, we are the love, we are the peace
(2x)

In the warmth of the sun, in the cool of the moon
I feel it in my soul, and I know that it's true
In the bliss of love, a smile upon your face
The light of children and giving, fills the world with grace

[Chorus]

May peace prevail, may mankind live in absolute joy
Happiness and prosperity,
and may we understand each other, in trust and affection

[Chorus]

Abrete Corazon (Alonso del Río)

Ábrete corazón, ábrete sentimiento
ábrete entendimiento, deja a un lado la razón
y deja brillar el sol escondido en tu interior

Ábrete memoria antigua
escondida en la tierra
en las plantas, en el aire
Recuerda lo que aprendiste,
bajo agua, bajo fuego
hace ya, ya mucho tiempo

Ya es hora ya, ya es hora
abre la mente y recuerda
como el espíritu cura, como el amor sana
como el árbol florece
y la vida perdura (2x)

*Open your heart, open your feelings
open to your wisdom, regardless of any reason
and let the sun inside of you shine*

*Open your ancient memory
hidden in the earth,
in the plants, in the air
Remember what you have learned,
under water, under fire
A long, long time ago*

*Now is the time, now it's the time
to open the mind and remember
like the spirit cures, like the love heals,
like the tree blooms as life continues...*
