Ábrete corazón

D Bm G
Ábrete corazón, ábrete sentimiento, ábrete entendimiento,
D
Deja a un lado la razón
A G D
Y deja brillar el sol, escondido en tu interior
G FisM G A
Ábrete memoria antigu , escondida en la tierra en las plantas, en el aire
G FisM
Recuerda lo que aprendiste, bajo agua, bajo fuego
G A
Hace ya, ya mucho tiempo
D FisM
Ya es hora ya, ya es hora
G A
Abre la mente y recuerda
Bm FisM
Como el espíritu cura, como el amor sana,
G A
Como el árbol florece,
G A G A
Y la vida perdura, y la vida perdura

Translation:

Open your heart
Open your feeling
Open your understanding
Put reason aside
And let the sunshine, deep inside you
Open old memories, hidden in the earth in the plants, in the air
Remember what you learned, in the depth of water, in the depth of fire
A long time ago
The time is now, it is time
Open your mind and remember

how the spirit heals, how love heals,
how the tree blooms,
And life endures, and life endures
